## News

## Chelmsford

Did you know that the Essex County Council is planning a new train station in Beaulieu? The nearest stations will be Chelmsford and Hatfield Peverel. Once finished, it will be the first new station in the Great Eastern mainline for more than a century. It's hoped that the new station will be opened in 2026 and welcome more than 2 million passengers!

## News

## International

The Parker Solar Probe is a spacecraft launched by NASA on the 12th of August 2018 to explore the Sun. The Parker took around 3 years to enter the edge of Sun's atmosphere, known as Alfvén critical surface. In December 2021, Parker successfully "touched" the Sun. The sun is the only known star to

support life. This research could help us find out if we are the only inhabitants in the universe.
